Fishing: Turneffe Island Resort is located just 3 minutes from what is probably the best permit fishery on the planet. A reef called "The Elbow". Here you sightfish on deep water for massive shoals of huge permit (to 50lbs+). Big schools of bonefish are to be found on nearly any flat you lay eyes on. Tarpon can be hunted in the close-by mangrooves. This really is a Grand Slam destination. Other species such as jacks, barracuda, snook and snapper can be targeted in the surrounding mangroves and flats.

Lodging: Guests will stay in Turneffe Island Resort's spacious and comfortable guestrooms or private villas, all with ocean-front location. All feature private bathroom and balcony, where your morning coffee is served at 6.30am.

Dining: Turneffe Island Resort has its own dining room which specializes in fresh, local Caribbean cuisine. Evening meals are served family style. Breakfasts are made to order and lunch is pre-ordered the prior day and packed in a cooler, waiting for you each morning before you hit the water.

Travel Details: Getting to Turneffe Island Resort is easy. Guests will fly to Belize City International Airport. Here you will be picked up and driven to the harbour. From there, the boat will take you on a final 90 minute boat ride to Turneffe Island Resort.
